

Skyline Car Finance (Skyline) Costs of Borrowing Information

The below figures apply to Skyline’s Consumer Loan contract: Effective 11/01/2023*

*These figures may change from time to time. The consumer loan contract is only available if the credit is to be used to acquire goods for personal, domestic or household purposes; and not for business use. Please contact Skyline or your local Skyline dealer for information on our business finance options.

All loan applications are subject to Skyline’s credit criteria – the below figures apply to approved applicants only.

Interest Rates

Details	Rates that apply	Amount
Annual Interest Rate	The following are the factors Skyline may consider when it determines the actual annual interest rate that will apply to each loan: <ul style="list-style-type: none"> • Borrower's credit history; • Borrower's asset position; • Borrower's risk assessment rating determined by Skyline; • The age and type of vehicle • The term and amount of the loan. • The complexity of the loan application 	8.54% PA to 13.54% PA
Default Interest Rate	Skyline may charge default interest on any amount that is not paid by a borrower when it is due.	The applicable annual interest rate plus 2%
Fixed Rate Loan	The annual interest rate for the term of each consumer loan contract is fixed.
